

used in the EEZ, other than off Florida, within 5 days of acquiring ownership, the person acquiring ownership must notify the Florida Division of Law Enforcement of the Department of Environmental Protection for a trap that bears a Florida crawfish license or trap number, or the RA, for a trap that bears a Federal vessel permit number, as to the number of traps purchased, the vendor, and the crawfish license or trap number, or Federal vessel permit number, currently displayed on the traps, and must request issuance of a crawfish license or trap number, or Federal vessel permit, if the acquiring owner does not possess such license or trap number or permit.

(c) *Unmarked traps and buoys.* An unmarked spiny lobster trap or buoy in the EEZ is illegal gear.

(1) *EEZ off Florida.* Such trap or buoy, and any connecting lines, during times other than the authorized fishing season, will be considered derelict and may be disposed of in accordance with Rules 68B–55.002 and 68B–55.004 of the Florida Administrative Code, in effect as of October 15, 2007 (incorporated by reference, see § 622.413). An owner of such trap or buoy remains subject to appropriate civil penalties.

(2) *EEZ other than off Florida.* Such trap or buoy, and any connecting lines, will be considered unclaimed or abandoned property and may be disposed of in any manner considered appropriate by the Assistant Administrator or an authorized officer. An owner of such trap or buoy remains subject to appropriate civil penalties.

§ 622.403 Seasons.

(a) *EEZ off the southern Atlantic states, other than Florida.* In the EEZ off the southern Atlantic states, other than Florida, there are no seasonal restrictions on the harvest of spiny lobster or on the possession of traps.

(b) *EEZ off Florida and off the Gulf states, other than Florida—(1) Commercial and recreational fishing season.* The commercial and recreational fishing season for spiny lobster in the EEZ off Florida and the EEZ off the Gulf states, other than Florida, begins on August 6 and ends on March 31.

(2) *Special recreational fishing seasons—(i) EEZ off Florida.* There is a 2-

day special recreational fishing season in the EEZ off Florida on the last Wednesday and successive Thursday of July each year during which fishing for spiny lobster is limited to diving or use of a bully net or hoop net. (See § 622.404 for general prohibitions on gear and methods.) In the EEZ off Monroe County, Florida, no person may harvest spiny lobster by diving at night, that is, from 1 hour after official sunset to 1 hour before official sunrise, during this 2-day special recreational fishing season.

(ii) *EEZ off the Gulf states, other than Florida.* There is a 2-day special recreational fishing season in the EEZ off the Gulf states, other than Florida, during the last Saturday and successive Sunday of July each year during which fishing for spiny lobster may be conducted by authorized gear and methods other than traps. (See § 622.404 for prohibitions on gear and methods.)

(3) *Possession of traps.* (i) In the EEZ off Florida, the rules and regulations applicable to the possession of spiny lobster traps in Florida's waters in Rule 68B–24.005(3), (4), and (5), Florida Administrative Code, in effect as of June 1, 1994 (incorporated by reference, see § 622.413), apply in their entirety to the possession of spiny lobster traps in the EEZ off Florida. A spiny lobster trap, buoy, or rope in the EEZ off Florida, during periods not authorized in this paragraph will be considered derelict and may be disposed of in accordance with Rules 68B–55.002 and 68B–55.004 of the Florida Administrative Code, in effect as of October 15, 2007 (incorporated by reference, see § 622.413). An owner of such trap, buoy, or rope remains subject to appropriate civil penalties.

(ii) In the EEZ off the Gulf states, other than Florida, a spiny lobster trap may be placed in the water prior to the commercial and recreational fishing season, which is specified in paragraph (b)(1) of this section, beginning on August 1 and must be removed from the water after such season not later than April 5. A spiny lobster trap, buoy, or rope in the EEZ off the Gulf states, other than Florida, during periods not authorized in this paragraph will be considered unclaimed or abandoned property and may be disposed of in any

manner considered appropriate by the Assistant Administrator or an authorized officer. An owner of such trap, buoy, or rope remains subject to appropriate civil penalties.

(4) *Possession of spiny lobsters.* In the EEZ off Florida and the Gulf states, a whole or a part of a spiny lobster subject to these regulations may only be possessed during the commercial and recreational fishing season and the special recreational fishing season specified in § 622.403, unless accompanied by proof of lawful harvest in the waters of a foreign nation. Consistent with the provisions of paragraphs (b)(3)(i) and (ii) of this section, a spiny lobster in a trap in this area will not be deemed to be possessed provided such spiny lobster is returned immediately to the water unharmed when a trap is removed from the water between March 31 and April 15.

(c) *Primacy of seasonal restrictions in the EEZ off Florida.* The seasonal restrictions applicable in the EEZ off Florida apply to all spiny lobsters and traps in the EEZ off Florida, without regard to harvest or use elsewhere, unless accompanied by proof of lawful harvest elsewhere.

§ 622.404 Prohibited gear and methods.

Also see § 622.9 for additional prohibited gear and methods that apply more broadly to multiple fisheries or in some cases all fisheries.

(a) A spiny lobster may not be taken in the EEZ with a spear, hook, or similar device, or gear containing such devices. In the EEZ, the possession of a speared, pierced, or punctured spiny lobster is *prima facie* evidence that prohibited gear was used to take such lobster. Hook, as used in this paragraph (a), does not include a hook in a hook-and-line fishery for species other than spiny lobster; and possession of a spiny lobster that has been speared, pierced, or punctured by such hook is not considered evidence that prohibited gear was used to take the spiny lobster, provided no prohibited gear is on board the vessel.

(b) A spiny lobster may not be taken in a directed fishery by the use of a net or trawl. See § 622.408(b)(4) for the bycatch limits applicable to a vessel that uses or has on board a net or trawl.

(c) Poisons and explosives may not be used to take a spiny lobster in the EEZ. For the purposes of this paragraph (c), chlorine, bleach, and similar substances, which are used to flush a spiny lobster out of rocks or coral, are poisons. A vessel in the spiny lobster fishery may not possess on board in the EEZ any dynamite or similar explosive substance.

§ 622.405 Trap construction specifications and tending restrictions.

(a) *Construction specifications.* In the EEZ, a spiny lobster trap may be no larger in dimension than 3 feet by 2 feet by 2 feet (91.4 cm by 61.0 cm by 61.0 cm), or the volume equivalent. A trap constructed of material other than wood must have a panel constructed of wood, cotton, or other material that will degrade at the same rate as a wooden trap. Such panel must be located in the upper half of the sides or on top of the trap, so that, when removed, there will be an opening in the trap no smaller than the diameter found at the throat or entrance of the trap.

(b) *Tending restrictions.* (1) A spiny lobster trap in the EEZ may be pulled or tended during daylight hours only, that is, from 1 hour before official sunrise to 1 hour after official sunset.

(2) A spiny lobster trap in the EEZ may be pulled or tended only by the owner's vessel, except that permission to pull or work traps belonging to another person may be granted—

(i) For traps in the EEZ off Florida, by the Division of Law Enforcement, Florida Fish and Wildlife Conservation Commission, in accordance with the procedures in Rule 68B-24.006(7), Florida Administrative Code, in effect as of July 1, 2008 (incorporated by reference, see § 622.413).

(ii) For traps in the EEZ, other than off Florida, by the RA, as may be arranged upon written request.

§ 622.406 Areas closed to lobster trap gear.

(a) Fishing with spiny lobster trap gear is prohibited year-round in the following areas bounded by rhumb lines connecting, in order, the points listed.

(1) Lobster Trap Gear Closed Area 1.
